DISCOVER THE SINGLE - CLOUD BASED PLATFORM, ORACLE NETSUITE

Techno Q and its Business Solutions department present you Oracle Netsuite, the number 1 cloud ERP Business Software Solution designed to manage any business easier, from Startup to Enterprise.

It is the right solution to grow and evolve alongside modern technologies by having a one unified business management suite, encompassing ERP/Financials, CRM and E-commerce. Among its key features, it allows to seamlessly connect in-store, mobile and web channels providing a better overview of the business. Financial operations are made more efficient and helps get better control of inventory.

It also supports both consumer buyers (BC2) and business buyers (B2B). It comes with real-time analytics to help make clear and sound decisions.

Oracle Netsuite can answer the needs of any industry including, but not limited to, Retail, Wholesale Distribution, Manufacturing, Healthcare, Advertising, Financial Services and Hospitality businesses.

For any enquiry and for more information, please contact Techno Q through info@technoq.com or call +974 5582 7161.
