TECHNO Q TO CELEBRATE 25 YEARS OF ACHIEVEMENTS

Techno Q celebrates its 25-year milestone! It is down to the commitment of the company to exceeding customer expectations in quality and service. It has led Techno Q to become a top integrated systems provider in the Middle East. Today, Techno Q has over 240 international employees, delivers over 100 projects annually and has won over 15 best sales and partner awards from top global organizations.

To celebrate this special event, we are launching a contest addressing our top customers with the chance to win a Samsung Galaxy S21+ 5G smartphone. To participate, you would need to follow Techno Q on LinkedIn and to complete

the customer satisfaction survey* under the following link:

<https://forms.gle/6E2ajvD27DpHgYHY8>

All the above steps must be completed by the 30th of April 2021 to be eligible for the contest. The lucky winner will be announced through email by beginning of May 2021. Good luck!

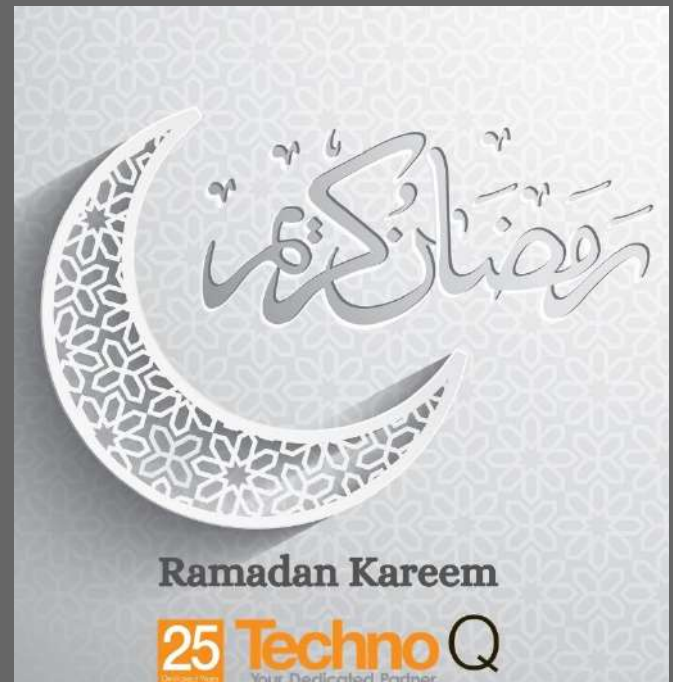

*When submitting the survey, the contact details (email, first and last name) will be kept confidential. Your information will only be used to receive information about our latest news, surveys, services or products, and will not be sold to any other 3rd party.

TECHNO Q WON BEST IN INTEGRATED SYSTEM SOLUTIONS AT THE MIDDLE EAST PRESTIGE AWARDS 2020/21

Techno Q has been honored by The Middle East Prestige Awards 2020/21 as the Best in Integrated System Solutions in Qatar. The judges were impressed by Techno Q's excellent services and focus on quality. The prize comes at a time when Techno Q is celebrating its 25th anniversary, a proof of Techno Q's recognition by professionals and its solid capacity to remain on top of the market thanks to a strong team and expertise built over those 25 years. More details about our latest award, is available on our [website](#).

TECHNO Q WISHES YOU A WONDERFUL RAMADAN TIME

On the occasion of Ramadan we wish you a joyful time with your loved one. Starting from Tuesday, 13th of April 2021 and for the Holy Month of Ramadan, Techno Q working hours will be as followed: From 9am until 3pm (Sunday-Thursday) for the head office, and from 7am until 1am (Saturday-Thursday) for the Warehouse and the Site Engineers, Projects & Support Technicians.

TECHNO Q SHORTLISTED WITH 2 PROJECTS AT THE INAVATION AWARDS 2021

The Inavation Awards released the names of the project awards finalists for its 2021 edition. Techno Q is honored to have been shortlisted with its project achieved with the National Museum of Qatar Gallery 11 in the "visitor attraction" category and with its project done with HMC Itqan Clinical Simulation and Innovation Center in the "healthcare" category. The Inavation Awards are the AV industry awards programme chosen by integrators, consultants and clients to pit their skills against the best the industry has to offer. This year 79 projects were shortlisted across 11 categories, showcasing projects from 29 countries.

TECHNO Q ANNOUNCED AS A MILESTONE DIAMOND CHANNEL PARTNER

Techno Q has been announced as a Milestone Diamond Channel Partner 2020. From more than 11,000 channel partners worldwide, Techno Q is one of only 21 partners to achieve the very top listing of Diamond Partner status. The Milestone Diamond Partner status recognises channel partners who are highly dedicated and demonstrate leadership in everything they do. It also means Techno Q get exclusive access to extra benefits such as advanced technical support – which means that we can pass on that level of elite technical know-how to our customers.

QATAR UNIVERSITY SPORTS AND EVENTS COMPLEX AWARD WINNING PROJECT FEATURED ON YAMAHA WEBSITE

The Qatar University Sports and Events Complex project led by Techno Q continues to attract attention a year after winning the 2020 AVIXA AV Experience Awards. This unique multi-purpose space, is the result of the strong co-operation between Yamaha, NEXO audio technologies and Techno Q when it comes to the installation of a highly flexible audio system to match the ever changing pre requisites of the Sports and Events Complex.

More details about the project and the technologies used to make it a success, to be found on our [website](#) or [Yamaha website](#).

ON THE COVER OF INAVATE : CASE STUDY ABOUT THE NATIONAL MUSEUM OF QATAR

The National Museum of Qatar (NMoQ) has been one of Techno Q's out of the ordinary projects with a participation at every step of the creation of this unique immersive space spreading over 11 galleries. We were tasked with installing the audio from gallery 1 to 9 and the AV for the galleries 10 and 11, using multi-channel audio, lighting and LED displays to match the asymmetrical architecture. This special project was chosen to be featured as the key case study of the February issue of Inavate.
