Techno Q wishes you a blessed Ramadan. Starting the first day of Ramadan and for the whole month, Techno Q working hours will be as following: From 9:00 am to 3:00 pm (Sunday-Thursday) for the head office, and from 7:00 am to 1:00 pm (Saturday-Thursday) for the Warehouse, Site Engineers, Projects & Support Technicians.

Techno Q is honored the Prestige Award for the year 2021/2022 as best in integrated system solutions in The State of Qatar and the middle east.

Techno Q's Commissioning department developed an outstandingly smart mobile application to analyze the time spent on different projects at different stages in real-time ensuring the highest standards of efficiency and effectiveness are being met. The simplicity of the interface makes the application handy, gets the team in-focus and provides a better managing approach due to the automation.

Techno Q celebrated the International Women's Day we thank all our female colleagues for their hard work, and immeasurable contributions to our success!
