## Techno Q is Awarded the Best Healthcare Project

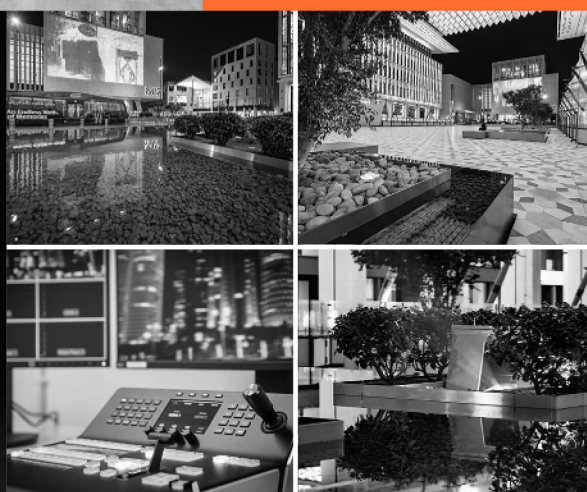

The winners of the 2021 Inavation Awards have been announced, with the event being held for the first time online due to the ongoing global pandemic, Techno Q is Awarded the Best Healthcare Project - HMC ITQAN Clinical Simulation Innovation Center.

The ITQAN Clinical Simulation and Innovation Centre couldn't have opened its doors at a more necessary time, with the world on the cusp of a global health crisis as the first students flocked through its doors. Techno Q has had a major contribution in various aspects and areas such as:

Simulation rooms, Clinical skills laboratories, Surgical skills laboratory, Patient rooms, Outpatient rooms, Non-Simulation rooms and Auditoriums.
